

How to access Nature Masterclasses on-demand

This guide will help you set up your Nature Masterclasses account. You will be able to gain access by using your institution's IP range. Once your account is set up, you can start your learning journey with Nature Masterclasses' on-demand courses.

How to access Nature Masterclasses on-demand

Before you start:

- Ensure you are **connected to your institution's internet or Wi-Fi** and are within the registered IP range.
- If you are **off-campus**, ensure you are **connected remotely**.

Additional information:

- After registration, the website will remember your institutional IP address and will enable you to access the course with any internet connection for 6 months.
- If you have been off campus for over 6 months after your initial registration, you will need to log in from your institution's network to refresh your connection.

1. Start the registration

- Go to masterclasses.nature.com
- Select the **Register** icon on the top right of the page.

2. Select your institution

Once you have arrived on the Register page:

- Select **Your institution**.
- Select your institution from the drop-down menu OR begin typing the name of your institution and select from the options that appear.
