

The Third UN World Conference on Disaster Risk Reduction Public Forum (3/15)

[[Topics \(In Japanese\)](#)] [[Event \(In Japanese\)](#)] Thursday March 5th, 2015

The Third UN World Conference on Disaster Risk Reduction Public Forum

Symposium on Educating Future Leaders in Global Safety:

Lessons and Practice in the Affected Areas of Great East Japan Earthquake

The symposium invites high school students, undergraduate students, students in graduate schools, researchers and practitioners to discuss how to educate future leaders in disaster risk reduction from the view point of global safety. Practices in the current educational program are shared in the symposium. [*Symposium Program](#)
